

The Heat Is On

Glenn Frey

The heat is on on the street
Inside your head every beat
And the beat's so loud deep inside
The pressure's high just to stay alive
'Cause the heat is on
Woo

Oh whoa ho oh whoa ho
Caught up in the action I've been looking out for you

Oh whoa ho oh whoa ho
Tell me can you feel it
Tell me can you feel it
Tell me can you feel it

The heat is on
The heat is on
Heat is on

Oh it's on the street
The heat is on

Oh whoa ho oh whoa ho
Caught up in the action I've been looking out for you Oh whoa ho oh whoa ho Tell me can you
feel it

Tell me can you feel it
Tell me can you feel it

The heat is on (yeah) The heat is on
(oh yeah) The heat is on

Burnin' burnin' burnin' It's on the street
Woo... hoo

The heat is on

The shadows high on the darker side Behind those doors it's a wilder ride

You can make a break can win or lose

That's a chance you take when the heat's on you When the heat is on

Oh whoa ho oh whoa ho

Caught up in the action I've been looking out for you

Oh whoa ho oh whoa ho

Tell me can you feel it

Tell me can you feel it

Tell me can you feel it

The heat is on (yeah)

The heat is on

(oh yeah)

The heat is on

Burnin' burnin' burnin'

It's on the street

Woo... hoo
(the heat is on)
I can feel the fire
(heat is on)
Flames (oh-oh) are burnin' bright
(heat is on)
Baby can't you feel it
Yeah it's on the street
Woo... hoo
(heat is on)
I can feel the fire
(heat is on)
Flames are burnin' bright
