## Bloc Party

North to South  
Empty  
Running on  
Bravado  
As if to say, as if to say  
As if to say, he doesn't like chocolate  
He's born a liar, he'll die a liar  
Some things will never be different Stop being  
so American  
There's a time and there's a place  
So James Dean  
So blue jeans  
He's gonna save the world  
He's gonna  
Are you hoping for a miracle?  
Are you hoping for a miracle?  
Are you hoping for a miracle? Are you hoping for a miracle?  
Three out of five, three out of five  
(it's not enough)  
Six out of ten  
Better luck next time  
Just like his Dad, just like his Dad  
(same mistakes)  
Some things will never be different  
Hungry and dumb, hungry and dumb (so wait in line)  
Queuing up for some more junk food  
It's not my fault, it's not my fault  
(just this once)  
They're getting so much younger  
Why can't you be  
more European  
Bastard child of guilt and shame  
Bury your head  
In the sand I'm thinking six, six, six  
I'm thinking six  
Are you hoping for a miracle?  
Are you hoping for a miracle?  
Are you hoping for a miracle?  
Are you hoping for a miracle?  
Are you hoping for a miracle?  
(it's not enough, it's not enough)  
Are you hoping for a miracle?

(it's not enough, it's not enough)  
Are you hoping for a miracle? (...it's not enough, not enough)  
Are you hoping for a miracle? (...it's not enough, not enough)
