

Goodbye Train

Big Sugar

(G. Johnson) Well I walked, walked my baby
Well I walked her down to the train
And I said, oh baby, please walk slow
Well I hate to see you go I walked my baby down to the train
I know I'll never see my girl again Well I tried to make her understand
You know I tried to make her understand
I talked to my baby, tried to get her to understand
She left me at the station wavin' my hand
Calling goodbye train
Goodbye train
Goodbye train
Goodbye train Well if I had - if I had you close to me
You'd know I wouldn't have to go on in this misery Well now I'm cryin'
Callin' out her name
Well now I'm cryin'
Callin' out her name I stood there at the station
You know I was callin' out her name
So go ahead and leave me just the same
Callin' goodbye train
Goodbye train
Goodbye train
Goodbye train
