Let It Be Me (feat. Ava Max)

David Guetta

When you're faded and alone You need somebody on the phone

Let it be me, let it be me

When she leaves you in the rain

You need a high to kill the pain

Let it be me, let it be me

And I'll show you love the way it supposed to beTa-da-da, da-da-da, da-da-da-da-da-da-da

Ta-da-da, da-da-da, da-da-da-da-da

Ta-da-da, da-da-da, da-da-da-da-da

Summer days, winded nights

Ride or die right by you side

Killing time till you're ready to see I'm all you need

You're a drunk, you're a fool

I'm a saint, so right for you

When the ship goes down

Look in your dreams, that's where I'll be

'Cause I ne-ne-need you

And I la-la-la-love ya

But I wanna-wanna-wanna

Just stay the nightWhen you're faded and alone

You need somebody on the phone

Let it be me, let it be me

When she leaves you in the rain

You need a high to kill the pain

Let it be me, let it be me

And I'll show you love the way it supposed to be

Ta-da-da, da-da-da, da-da-da-da-da

Ta-da-da, da-da-da, da-da-da-da-da

Ta-da-da, da-da-da, da-da-da-da-da

And I'll show you love the way it supposed to be Cause I ne-ne-need you

And I la-la-la-love ya

But I wanna-wanna-wanna

Just stay the night

And I ne-ne-need you

And I la-la-la-love ya

Oh, no-no-no

I won't let you, won't let you goWhen you're faded and alone

You need somebody on the phone

Let it be me, let it be me

When she leaves you in the rain

You need a high to kill the pain

Let it be me, let it be me

And I'll show you love the way it supposed to beTa-da-da, da-da-da, da-da-da-da-da-da-da-da And I'll show you love the way it supposed to be

Ta-da-da-da, da-da-da-da-da-da-da-da-da

Ta-da-da-da, da-da-da-da-da-da-da-da-da

And I'll show you love the way it supposed to be
