And my auntie on PO
100 on my wrist, 80 on a brick
Lil Pump never spendin' money on a bitch
Never trust a nigga cause he actin' like a bitch
Take a nigga bitch to the motel 6
I just broke my wrist cause I'm whippin' in the kitchen
Pass ya brick told 'em better whip it
4 bands in the kitchen
9 bands in the kitchen
I just fuck your bitch
I just broke my wrist
I just fuck your bitch
