Heartbeat

Annie

There was a time Everybody was around And I was dancing with youWe all went down To the party Friday night And had a drink there or twoOh what a heap Of a love and heartbeat It's electricityMajestic sound Round and round and round Glad you're next to meFeel my heartbeat Drumming to the beat Love the symphony Feel my heartbeat Drumming to the beat Love the melody Come seeFeel my heartbeat Drumming to the beat Love the symphonyFeel my heartbeat Drumming to the beat Love the melody Come seeTime after time Everybody came around And I was dancing with youDon't know your name Making me ashamed To feel the way that I do The lights went out Couldn't be without It was the place to be won't forget Greatest dance I had When I was dancing with youFeel my heartbeat Drumming to the beat We all want it nowFeel my heartbeat Drumming to the beat We all want it now SomehowFeel my heartbeat Drumming to the beat Love the symphonyFeel my heartbeat Drumming to the beat Love the melody Come seeFeel my heartbeat Feel my heartbeat Feel my heartbeat nowFeel my heartbeat

Feel my heartbeat

Feel my heartbeat now somehowThere was a time
Everybody was around
And I was dancing with youDon't know your name
Making me ashamed
To feel the way that I doThe lights went out
Couldn't be without
It was the place to beI won't forget
Greatest dance I had
When I was dancing with you
