

Surfing On a Rocket

Air

Time for flying rockets
For silver jets
For surfing bombs
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Don't, don't pray to go
Please take my hand
Don't get me down
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
I'll be back one day
Just pray for me
I'm on my way
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
Surfing on a rocket
No one can stop me to go
You'll never see me again
No one can stop me to go
You'll never see me again
No one can stop me to go
You'll never see me again
