

# Underdog

## Jonas Brothers

She's an underdog, lives next door to me  
She's always heard, you won't amount to anything  
And it kills me to watch the agony beyond her eyes  
Tragic the way people pass her by but now I realize  
That everyone sees her but nobody knows  
her

She screams in her pillow for a better tomorrow  
She hates it but she takes it, watch out for that girl  
One day she may change the world  
She's original, never trying to fit in  
She's got a way to always go against the grain  
Oh yeah, someday they'll see how beautiful she really is  
I know the last will be the first, the tables gonna turn  
'Cause everyone sees her but nobody knows her  
She screams in her pillow for a better tomorrow  
She hates it but she fakes it, watch out for that girl  
One day she may change the world  
Maybe she'll be in a movie  
Maybe she'll be in a song, yeah  
Better pay her some attention  
Before she's gone  
She's an underdog, yeah  
She means the world to me, yeah  
Everyone sees her but nobody knows her  
She screams in her pillow for a better tomorrow  
She hates it but she makes it, watch out for that girl  
One day she may change the world  
And everyone sees her but nobody knows her  
She screams in her pillow for a better tomorrow  
She hates it but she makes it, watch out for that girl  
One day she may change the world
