

# Caught Up

Cheri Dennis

Hmmmm

Hmmmmm, hmmmm

Hmmmmmm(Caught up) In the middle and I know I'm trippin (know I'm trippin, yeah)

(Caught up) Everytime I say I won't I always get this (Ohhhhhh)

(Caught up) Somebody help me out, I'm fallin I'm lovin two and it's gettin the best of me...

How can I chose when both of them are what I need?

Searchin for an answer, let me know (let me know)

What is the price to pay for ignoring the rules?

What do I do when I, I have to play the fool?

I need to find an answer, what I need (what I need)

Caught up

(Caught up) In the middle and I know I'm trippin

(Caught up) Everytime I say I won't I always get this (always get it)

(Caught up) Somebody help me out, I'm fallin (fallin) No matter how I try, I just can't help myself...

Don't wanna break it off with either one of them

And still I just don't know, I don't know (I don't know)

Caught up

Can't live a lie

Cause time always reveals the truth

This needs to stop cause I, I got too much to lose

Knew that this could happen, oh I knew (oh I knew)

Caught up(Caught up) In the middle and I know I'm trippin

(Caught up) Everytime I say I won't I always get this (everytime I say I won't I get it)

(Caught up) Somebody help me out, I'm fallin (I'm fallin, ohhhhhh)(Caught up) In the middle and I know I'm trippin (know I'm trippin)

(Caught up) Everytime I say I won't I always get this (always get it)

(Caught up) Somebody help me out, I'm fallin

I don't wanna be less than a lady

Back and forth between it's drivin me crazy

Know it's wrong, but I want my way

Ohhhhhh, caught up(Caught up) In the middle and I know I'm trippin (know I'm trippin)

(Caught up) Everytime I say I won't I always get this (always get it)

(Caught up) Somebody help me out, I'm fallin

Ohhhhhh, Ohhhhhh, Ohhhhhh, Ohhhhhh

Caught up(Caught up) In the middle and I know I'm trippin (know I'm trippin)

(Caught up) Everytime I say I won't I always get this (always get it)

(Caught up) Somebody help me out, I'm fallin Please help...

Where does love go? (love go)

I'm so caught up in this love triangle

I find it hard to reveal the truth

Between the two

Two baby, oh baby, ohhhhhh Where does love go?  
I'm so caught up in this love triangle (find it so hard)  
I find it hard to reveal the truth  
Between the two, I'm so confused  
Him or you?(Caught up) In the middle and I know I'm trippin (know I'm trippin)  
(Caught up) Everytime I say I won't I always get this (always get it)  
(Caught up) Somebody help me out, I'm fallin (fall, yeah yeah)(Caught up) In the middle and I  
know I'm trippin (know I'm trippin)  
(Caught up) Everytime I say I won't I always get this (always get it)  
(Caught up) Somebody help me out, I'm fallin
