And all the ladies just dey hala say

The way you move your body, ebe like say

Na the way you do the things you do  
Ebe like say you get plans for me and you  
If I put it on you, you put it on me  
What a man can do, a woman can do  
If you do me, I do you, (man no go vex)  
Step on the dance floor (man no go vex)  
Touch me I touch you (man no go vex)  
You say, I say (man no go vex)  
If you do me, I do you, (man no go vex)  
Step on the dance floor (man no go vex)  
So won't you give it to me (I will give it to you)  
So make you give it to me some more (some more)  
E get as e dey do me, so make you give it to me, give it to me  
E get us e dey do me, so make you give it to me some more  
E get as e dey do me, so make you give it to me  
Na the way you dey do me (do me 3x)  
So you can give it to me some more So make you do me (do me 6x)  
Make you do me (do me 6x)  
Omo, check out the way she twist and wind it  
Make me feel like and grind it, grind it  
Every girl, I know say you dey eye me, eye me  
After the show na the party for my room  
Strictly for me and you, you  
We get plenty things to do, do  
So pull off the bump... and move, make we groove Boy, you know say talk is cheap and you are  
tempted to roll with me  
Me, I no be the bizzy body wey you see

What a man can do, a woman can do so(Repeat)Na the way you dey do me, do me  
You go wound oh, you go wound oh, my baby  
Na the way you dey do me, do me  
You go wound oh, you go wound ohFrom the way you do the things you do  
Ebe like say you get plans for me and you  
Me, I no be the bizzy body wey you see  
What a man can do, a woman can do so  
Repeat till fade  
Na the way you dey do me, do me  
You go wound oh, you go wound oh, my baby  
Na the way you dey do me, do me  
You go wound oh, you go wound oh
