

Eyez

P.O.D.

When it all goes down we will rise! But you ain't seen nothing yet! One vision, death has risen
To meet his majesty. The blasphemy is unforgiven
And through this alchemy of calvary, only one decision
I and I prophecy the truth and destroy the wicked
Millennial reign, surrender to the guillotine
Last breath, second death, sentenced to a murder scene
So when I'm gone, don't you act surprised
It's going down right in front of your eyes When it all goes down we will rise!
But you ain't seen nothing yet! (Eyez)
This world!(Eyez) Your life!(Eyez)
But you ain't seen nothing yet!(Eyez)
Awake and scream all who sleep in the earth
Hear his voice in the grave, arise and step forth
And make your stand while men run for the hills
Fill the valley with blood and flood the killing fields
Keep laughing now, you're gonna regret it then
'Cause this day God will judge all the secrets of men
Mark my words and don't act surprised
It's going down right in front of you eyes When it all goes down we will rise!
But you ain't seen nothing yet!(Eyez)
This world!(Eyez) Your life!(Eyez)
But you ain't seen nothing yet!(Eyez) This will be the last time you will see me again
This will be the last time you ever see me again One man is guilty and one man is not
And you will answer for yourself whether you like it or not!
One man lives and the other man dies
It's going down right in front of your eyes
When it all goes down we will rise!
But you ain't seen nothing yet!(Eyez)
This world!(Eyez) Your life!(Eyez)
But you ain't seen nothing yet!
But you ain't seen nothing yet!
But you ain't seen nothing yet!
