## New Order

This is why events unnerve me  
They find it all, a different story  
Notice whom for wheels are turning  
Turn again and turn towards this time  
All she asks is the strength to hold me  
Then again the same old story  
World will travel, oh so quickly  
Travel first and lean towards this time  
Oh, I'll break them down, no mercy shown  
Heaven knows, it's got to be this time  
Watching her, these things she said  
The times she cried  
Too frail to wake this time  
Oh, I'll break them down, no mercy shown  
Heaven knows, it's got to be this time  
Avenues all lined with trees  
Picture me and then you start watching  
Watching forever, forever  
Watching love grow, forever  
Letting me know, forever
