Kid Koala

"Was he slow?"
"No, he's a good kid, he's a devil behind the wheel"
"Was he slow? Retarded means slow, was he slow?"
"No, what the hell else more do you need to know?"
"A devil behind the wheel"
"Retarded means slow, was he slow?"
"No"
"Was he slow?"
"He's a devil behind the wheel"
"Was he slow?"
"No"
"Was he slow?"
"No"
"He's a good kid, a devil behind the wheel"
"Was he slow?"
"Was he slow?"
"No"
"Was he slow?"
"A devil behind the wheel"
"Was he slow?" x4
"No, he don't sound retarded to me"
"He's a good kid and a devil behind the wheel, what the hell else more do you need to know?"
"Was he slow?"

"Was he slow?" x6
