YoungBoy Never Broke Again

Nigga play he gone get his head bust
You know how we comin

Nigga play he gone get his head bust
You know how we comin
Strapped like the Navy Seals
Promise you don't want it
This for them bitch ass niggas that be speaking on me
Rob who? You got me fucked up
You ain't taking nuthin
Nigga it's gone be a murda
Play with that money
Nigga it's gone be a murda

Thinkin that I'm Stuntin

Slaughter gang savage love to shoot at niggas (21, 21, 21)
Got a 30 in the booth right now, that's on gang
And a judge gon' give me life if a nigga touch my chain, 21
Red light, I got four young niggas with me sticked up
100 round drum, we gon' leave 'em at the red light
Got the VVSs dripping, lil nigga tried to reach and all he seen was a motherfucking red light
Now they scared right
Called your baby mama over cause her head's right
I put your favorite rapper in a wheel chair
Niggas say they from the street but bitch I'm still there
Nigga play he gone get his head bust
You know how we comin
Strapped like the Navy Seals
Promise you don't want it
This for them bitch ass niggas that be speaking on me
Rob who ? you got me fucked up
You ain't taking nuthin
Nigga it's gone be a murda
Play with that money
Nigga it's gone be a murda
Come run up on me
Nigga it's gone be a murda
Burn you and yo homie
Nigga it's gone be a murda
Thinkin that I'm Stuntin
It's gone be a murda
