I grind hard, grind hard and play harder, play hard
Break out the pot, heat up the waterSwear to God, the minivan do tricks
Hit the bricks hit the lions and wow, there go them bricks

I handle my business so I think

Slide through the hood sittin' on some big wheelsNiggaz coppin' white and turn flips like cartwheels

Trapstar, my NexTel chirp all day

Ridin' dirty, three nines and a four wayGood weed, good drink, big money, we Rollin' in somethin' foreign, I'm leather grippin' grain

I deserve to get throwed, throwedSo far I'm tourin' on foreign land Worldwide, I'm known for the Arm & Hammer

Murder the streets I'm a wanted man

But the flow's like dope so it's on againStarted with the block, hit it brick by brick

Then I charted with the ROC nigga, hit by hit

I'm retarded with the glock nigga, clip by clip

The competition is none, they deceased to existLet it breathe a little bit

He's off his rocker, he's a lil schitz'

Roll like a football, Hov' used to cook raw

Now I got the game sewn like granny's good shawlSure, y'all niggaz want war

Y'all got it backwards, y'all should want raw

Y'all should want more and more, and more, uhhGood weed, good drink, big money, we Rollin' in somethin' foreign, I'm leather grippin' grain

I handle my business so I think

I deserve to get throwed, throwedGood weed, good drink, big money, we

Rollin' in somethin' foreign, I'm leather grippin' grain

I handle my business so I think

I deserve to get throwed, throwed
