

Thea (Live From Air Studios)

Goldfrapp

Across a starless sky
It cuts like tiny knives
Rain beating down
Rain beating down Blunt uneasy glare's
They've nothing on you or me yet
Night's have alone
Night's here are cursed There's wild in your eyes oh Thea
There's a light there's a feeling
It's cruel and its dark in this town
Are they mad were we dreaming
Tender and town
Won't leave you now Wanted you so bad
I feel like I'm caught with no air
Wanted you gone
Wanted you there There's wild in your eyes oh Thea
There's a light there's a feeling
It's cruel and its dark in this town
Are they mad were we dreaming Tender torn sundown on Isthmus
It's all for you oh hungry moon
It's a long long night of waiting
All for you oh hungry moon
Tender torn sundown on Isthmus
All for you oh hungry moon
It's a long long night of waiting
I want you there I want you gone
