Blank Space

I Prevail

Nice to meet you Where you been? I could show you incredible things Magic, madness, heaven, sin Saw you there and I thought oh my god Look at that face, you look like my next mistake Love's a game, wanna play hey, hey New money, suit and tie I can read you like a magazine Ain't it funny rumors fly And I know you heard about me So hey, let's be friends I'm dying to see how this one ends Grab your passport and my hand I could make the good girls bad for a weekend So it's gonna be forever Or it's gonna go down in flames You can tell me when it's over If the high was worth the pain Got a long list of ex-lovers They'll tell you I'm insane Cause you know I love the players And you love the game Cause we're young and we're reckless We'll take this way too far It'll leave you breathless Or with a nasty scar Got a long list of ex-lovers They'll tell you I'm insane But I got a blank space baby And I'll write your name Cherry lips Crystal skies I could show you incredible things Stolen kisses, pretty lies You're the queen baby I'm your king Find out what you want Be that guy for a month But the worst is yet to come Oh no Screaming, crying, perfect storms

I could make all the tables turn Rose garden filled with thorns Keep you second guessing like oh my god Who is he? I get drunk on jealousy But you'll come back each time you leave Cause darling I'm a nightmare dressed like a daydream So it's gonna be forever Or it's gonna go down in flames You can tell me when it's over If the high was worth the pain Got a long list of ex-lovers They'll tell you I'm insane Cause you know I love the players And you love the game Cause we're young and we're reckless We'll take this way too far it'll leave you breathless Or with a nasty scar Got a long list of ex-lovers They'll tell you I'm insane But I got a blank space baby And I'll write your name Girls only want love if it's torture Don't say I didn't Don't say I didn't warn you! Uh! It's torture! It's torture! Don't say I didn't warn you It's torture! It's torture! Don't say I didn't warn you So it's gonna be forever Or it's gonna go down in flames You can tell me when it's over If the high was worth the pain Got a long list of ex-lovers They'll tell you I'm insane Cause you know I love the players And you love the game Cause we're young and we're reckless We'll take this way too far and leave you breathless Or with a nasty scar Got a long list of ex-lovers They'll tell you I'm insane But I got a blank space baby And I'll write your name Song Discussions is protected by U.S. Patent 9401941.
