## Alice Cooper

Body

body

Touched by the toil and plunged into his arm  
cursed through the night through eyes of alarm  
a melody black flowed out of my breath  
searching for death, but bodies need rest

Body

Under the soil now waiting for worms  
all that i feared is all that i've learned  
all that i know is all that i think  
dead feelings are cool, down lower i sink, ah-hah

Bodies need rest

wwe all need our rest

sleep an easy sleep

rest

rest

bodies need their rest

we all need our rest

sleep an easy sleep

rest

rest

rest

rest

but come back in the morning

Come back hard

Wake up

wake up

wake up

wake up

Bodies

clutching and biting my soul has caught on fire

my evil is now and i'm caught up in desire

everything i'm living for is all that i am

liking it and loving it that's all in the plan
