

Just the Lonely Talking Again

Whitney Houston

It's the second time around
For you and I boy
And believe me it's confusing me
I'm afraid to say let's make up and All's forgiven
But somethin' tells me it's heading for heartbreak...
So darling please I'm praying that
This time yeah this time will be different
That you and I can share this dream that I visualize...Tell me are you really ready for love boy
Or is it just the lonely talking again
Are you really ready for love boy
Or is it the lonely talking again
Now the time before
When we got together
You promised you'd be forever true to me
But all I got from you
Was lots and lots of talking
Lonely nights filled with miserySo baby please please tell me now
That when I fulfill your needs
You won't up and leave me
Even though you know
I'll let you come backTell me are you really ready for love boy
Or is it just the lonely talking again
Are you really ready for love boy
Or is it the lonely talking againReally need to know
Tell me are you really ready for love boy
Or is it just the lonely talking again
Are you really ready for love boy
Or is it the lonely talking againTell me now
Wanna know
Really gotta know
Are you ready?
Are you ready
Are you ready?
Tell me are you ready
Are you ready?
Are you ready?
Need to know
Really wanna know
Really wanna know
Really need to know
Are we gonna talk?
Are we gonna talk?

Dont wanna talk no no no no
I need to know
I really wanna know
You tell me now
Are you ready?
No no no Need to know
