Summer Walker & PARTYNEXTDOOR

Thinking of me
Take no more You just might be a hoe
Yeah, swear [?]
You just might be?a?hoe
For real (Yeah, yeah, yeah, yeah, oh)
For real
What am?I missin'?
Always takin' hours every time
I got with a nigga
That's just [?]
What am I missin'?
Seems like they get more from a sugar daddy or a drug dealer
Pick me out the club, want hitting
I already know
He playing, love is a losin' game and I just can't take no more
Love is a losin' game and I just can't take no more, no more
That love is a losin' game so I just
might be your hoe (Yeah, yeah, a hoe)A hoe, hey, hey
Just might be your hoe
What am I missin'?
Seems like they get more from a sugar daddy or a drug dealer
