

In the Air (feat. Angela McCluskey)

Morgan Page

(feat. Angela McCluskey) Here you are
And the feeling feels good
Don't know if you know it
But I think you should Tell me it's alright
Tell me we can make this thing tonight Feeling a change, in the air
Hallelujah I love you
You ready? Cause I couldn't be happier than right now
See if you know it
Should be with me until the end of time I'm feeling it
I'm feeling a change
I'm feeling it in the air
I'm feeling it
I'm feeling a change
I'm feeling it in the air
To look the other way
To get what you want
Throw out your troubles find your song
Cause there's a change
Change in the air
In the air
In the air Just one more minute here with you
All I'd give to have this come true
Can you feel it too?
Can you feel this heart beating in time?
Wishing it was yours but it's gotta be mine
Couldn't believe everything I felt
You walked in you saw me just melt I'm feeling it
I'm feeling a change
I'm feeling it in the air
To look the other way
To get what you want
Throw out your troubles find your song
Cause there's a change, change in the air To look the other way, to get what you want
Throw out your troubles find your song
Cause there's a change, change in the air Don't close that door, don't walk away
Don't shut your eyes, you can hear me say
I love you now more than everyday
It's okay Give every bit to have you here
Give every moment to see your tear
Give everything I've got from now to my last breath I'm feeling it
I'm feeling a change
I'm feeling it

In the air To look the other way
To get what you want
Throw out your troubles find your song
Cause there's a change, change in the air To look the other way
To get what you want
Throw out your troubles find your song
Cause there's a change, change in the air
In the air
