

No Plans (feat. Marteen)

AJ Mitchell

Friday night at home
It's kinda getting old
Nothing really gets me
I'll probably do this next week
Pack another bowl
Watch an episode
Seen it all before, yeah
I'm kinda getting bored, yeah Maybe I should switch it up a little bit
Go spend all my money for the hell of it
Call up all my homies, say let's roll with it
Why not just go to the deep end
Do a deep dive in the DM's
No plans
Grab some girls and bring 'em down to San Fran
We just want to party and bullshit
Stay up 'til the morning, we got
No plans, no plans, no plans No plans
Grab some girls and bring 'em down to San Fran
We just want to party and bullshit
Stay up 'til the morning, we got
No plans, no plans, no plans We were skinny dipping in the ocean, ocean
Took off all our clothes and someone stole 'em
Oh shit
Right now, I don't even care
Ain't a big deal, we got nowhere to be
That sh*t is funny to me
Long as we young and we free
Maybe I should switch it up a little bit
Go spend all my money for the hell of it
Call up all my homies, say let's roll with it
Why not just go to the deep end
Do a deep dive in the DM's No plans
Grab some girls and bring 'em down to San Fran
We just want to party and bullshit
Stay up 'til the morning, we got
No plans, no plans, no plans I ain't got no plans
You don't need to know in advance
I got some time today
But ain't got time to waste, no
Got the top off by the ocean
I'm takin' my shot and now I'm focused
Now it's case closed and she open

Just left San Fran on the way to Oakland
No plans
Grab some girls and bring 'em down to San Fran
We just want to party and bullshit
Stay up 'til the morning, we got
No plans, no plans, no plans
(No plans, no plans, no plans)
No plans
(No plans, no plans, no plans)
No plans
(No plans, no plans, no plans)
No plans
No plans
No plans
(No plans, no plans)
