

# Cognac (feat. Jeff Beck & Keith Richards)

## Buddy Guy

Look at here!  
It's smooth and it goes down really nice  
Costs two hundred dollars a bottle  
And that's a damn good bargain price  
Talkin' 'bout Cognac  
Liquid gold in every sip  
Yeah  
Look at here  
Let's play us some blues while we all take a little nip  
Now reefer make me mellow  
And whiskey make me wild  
Get a couple of glasses and let's get drunk in style  
I'm talkin' about Cognac  
Careful now, it sneaks up on you strong  
If the late Muddy Waters was here drinkin' with us  
That bottle would be ten times gone  
Can't drink with me no more Muddy, but I got Keith Richards  
How 'about you, Beck?  
Good and smooth, good and smooth, good and smooth  
It goes good with the blues  
Come on Keith, help yourself  
Remy Martin XO  
I'm only playin' what I know  
Come on in here, Beck  
Stretch you neck and drink this XO with me  
Let me tell you 'bout this woman: when she'd get  
tight  
Give a double shot of Remy Martin XO  
Bet you'll watch it rocket rise  
Talkin' 'bout Cognac  
XO Cognac that is  
And it goes right to your head  
Yes is do  
How well do I know  
You know it won't kill the living  
But it damn sure raised the dead  
Let me say that again  
You know it won't kill the living  
But it damn sure raised the dead  
Oh yes, it will  
One more
