

Mind Sex

Dead Prez

(Chorus)

It's time for some mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love let's have a good conversation(Verse 1)

Pardon me love but you seem like my type

What you doin tonight? you should stop by the site

We could, roll some weed play some records and talk

I got a fly spot downtown Brooklyn, New York

Now I know you think I wanna fuck, no doubt

but tonight we'll try a different route, how bout we start

With a salad, a fresh bed of lettuce with croutons

Later we can play a game of chess on the futon

See i ain't got to get in your blouse

It's your eye contact, that be getting me aroused

When you show me your mind, it make me wanna show you mines

Reflecting my light, when it shines, just takin our time

Before the night's through, we could get physical too

I ain't tryin to say I don't wanna fuck, cause I do

But for me boo, makin love is just as much mental

I like to know what I'm gettin into

(Chorus)

We could have mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love let's have a good conversationIt's time for some mind sex, we ain't got to
take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love let's have a good conversation

Time for some mind sex...(singing): before we make loveYeah, what you know about mind
sex?(singing): before we make love

(Verse 2)

African princess, tell me yo' interests

Wait, let me guess boo, you probably like poetry

Here's a little something I jotted down in case I spotted you around

So let me take this opportunity

Would you share a moment with me, over herbal tea?

Take a walk verbally, make a bond certainly

Cuz in my hand I bet your hand fit perfectly

And it's like we floatin out in space when you flirtin wit me

C'mon, a little foreplay don't hurt (hmmm)

Imagine my chest under this shirt, your ass under your skirt
It's like walking the hot sands and finding an oasis
Opposites attract that's the basis
Our sex is the wind that seperates the yin from the yang
The balance that means complete change, our aim
Is to touch you in a delicate spot
And once we get it started I ain't trying to stop(Chorus)
But first we have mind sex, we ain't got to take our clothes off yet
We can burn the incense, and just chat
Relax, I got the good vibrations
Before we make love let's have a good conversation
It's time for some mind sex, we ain't got to
take our clothes off yet
We can burn the incense, and just chat
Relax, I got the good vibrations
Before we make love let's have a good conversation
Mind sex...(Spoken)
She smiles, I smile
She walks, no she glides softly by me changing night into day
She opens her mouth to speak, and so sounds ring in my head
She speaks, and i want to dance to her rhythm
She moves ever so gently, increasing my desires,
As i place my arms around her waist,
Hold and squeeze unto me,
I want to melt into her body, and discover the base of her warmth
Her beautiful black body that, no human mind could ever conceive
She's love
She's truth
She's real, as real as the stars that shine in the heavens
As real as the sun that bathes her body,
As real as the moon that glows and the birds that sing and the rose
That blossoms in spring for she is that rose
And not just any rose,
But a black rose,
Black rose stands tall and stronger than any other plant
A black rose, that stands as creator, of nations of
Black rose
That never loses her petals, and blossoms all year round
Black rose,
Sweet rose,
Thornless rose
Eternal rose
Please look my way,
Please look my way
Please look my way
Black rose
