My Iron Lung

Radiohead

Faith, you're driving me away

You do it everyday

You don't mean it

But it hurts like hellMy brain says I'm receiving pain

A lack of oxygen

From my life support

My iron lungWe're too young to fall asleep

Too cynical to speak

We are losing it

Can't you tell

The scratch

Our eternal itch

A twentieth century bitch

And we are grateful for

Our iron lungThe head shrinkers

They want everything

My uncle Bill

My Belisha beaconThe head shrinkers

They want everything

My uncle Bill

My Belisha beaconSuck, suck your teenage thumb

Toilet-trained and dumb

When the power runs out

We'll just hum

This, this is our new song

Just like the last one

A total waste of time

My iron lungThe head shrinkers

They want everything

My uncle Bill

My Belisha beaconThe head shrinkers

They want everything

My uncle Bill

My Belisha beaconAnd if you're frightened

You can be frightened

You can be, it's okayAnd if you're frightened

You can be frightened

You can be, it's okayThe head shrinkers

They want everything

My uncle Bill

My Belisha beaconThe head shrinkers

They want everything
