

Reaching (feat. Alex Isley)

Cautious Clay

You wanna act impatient every time I come around
Every time I wear the crown
But then you see me when I'm at my lowest Then you wanna take advantage of me Petty 'cause
you know me, petty 'cause you want everything
Got your new blood in your nose vein
This the type of shit you on
So I'll call you when you're up again Don't know if I'm ready
Talk to you tomorrow
You can call me petty
But I get angry when you come to mind
Don't say that you're sorry
Too late to the party
Girl, don't get me started
I refuse to let you ruin my-
Motives feeling good, tryna make me wait
Looking for a fight, just to make me stay
To be honest, you've been fiending for attention 'cause you need it all Bitchin' like you been up
to something
All in the phones you take, hotels you wait in
But you don't really got nowhere to be
'Cause you wasting your time again Trippin' like you want it, trippin' like you had everything
On your own terms, in your own way
I don't wanna see your flaws
So I'll call you by your other name
Don't know if I'm ready
Talk to you tomorrow (talk to you tomorrow)
You can call me petty
But I get angry when you come to mind
Don't say that you're sorry (don't say that you're sorry)
Too late to the party (oh)
Girl, don't get me started (oh)
I refuse to let you ruin my- Trippin' like you want it, trippin' like you had everything
Trippin' like you want it, trippin' like you had everything
