

# None of This

## Bino Rideaux & Nipsey Hussle

You don't put a actress on the floor  
You don't ever frontline a war  
You ain't never headline a tour  
You ain't got a line around the store  
You ain't did, you ain't did  
I never see your name up in the Forbes  
You ain't got a line around the store  
Never put a actress on the floor  
You ain't never frontline a war  
Nigga you ain't did none of this  
You ain't did none of this  
You don't put a actress on the floor  
You don't ever frontline a war  
You ain't never headline a tour  
You ain't got a line around the store  
You ain't did, you ain't did  
I never see your name up in the Forbes  
You ain't got a line around the store  
Never put a actress on the floor  
You ain't never frontline a war  
Nigga you ain't did none of this  
You ain't did none of this  
You ain't got what I got  
You ain't seen what I seen  
Put lil bitch on my (ooh)  
Put lil bitch in a beam  
Window tint let me see  
It's a lot on my plate  
I can't make no mistake  
Show the hoes a lot of weight  
V's jumping out the face  
He ain't gon' build like I build  
Niggas ain't real like I'm real  
S'why they can't feel like I feel  
If we get to you try to take from you  
You ain't finna kill like I will  
You don't even want to live like I live  
You ain't gotta gotta get it out here  
Ima drive and I shoot on a mission  
I was raised by the realest of niggas  
All they told us was kill all these niggas  
We never gone lose if we handle this business

Took a turn on the road to the riches  
Left my heart in the curb in the trenches  
Everything that I want is expensive  
And it came with a lot of conditions  
My boys in the guide of your systems  
Boy hit a shot through the ceiling  
At first it's the awkwardest feeling  
But fuck it my nigga lets get it  
Doin' donuts in something ridiculous  
Fuck up traffic with all of my crips  
And I gotta be over specific  
Just so they notice the difference You don't put a actress on the floor  
You don't ever frontline a war  
You ain't never headline a tour  
You ain't got a line around the store  
You ain't did, you ain't did
