

# Carry Me

Josh Wilson

I try to catch my breath  
It hasn't happened yet  
I'm wide awake in the middle of the night scared to death  
So I prayed God, would You make this stop  
Father please hold on to me, You're all I've got  
Carry me, carry me, carry me now  
From my sinking sand to Your solid ground  
The only way I'm ever gonna make it out  
Is if You carry me, carry me, carry me now  
God carry me, carry me, carry me now  
Jesus calm my heart  
Come near me please  
Lord don't let these worries get the best of me  
Oh I believe, that You're still here with me  
Cause You meant what You said when You said You'd never leave  
Carry me, carry me, carry me now  
From my sinking sand to Your solid ground  
The only way I'm ever gonna make it out  
Is if You carry me, carry me, carry me now  
God carry me, carry me, carry me now  
Carry me  
God carry me  
I'm at the end of myself  
I know I've got nothing left  
Feels like I'm stuck in the valley of the shadow of death  
And I've been down here so long  
I just can't find my way out  
Oh God I don't stand a chance  
Unless You carry me now  
God carry me now  
Carry me, carry me, carry me now  
From my sinking sand to Your solid ground  
The only way I'm ever gonna make it out  
Is if You carry me, carry me, carry me now  
God carry me, carry me, carry me now  
Carry me now  
Carry me now  
Carry me now
