

# Ain't My Fault

Jamie Foxx

Pop the champagne and let it rain all over the world!  
Me and my girl we about to do the twirl on the dance floor. Who told you to walk up to me in  
them Louboutins so high?

That is the shit I seen in my life!

That to make your boyfriend cry, make him cry baby  
Lord knows when you were sittin' in front of your mirror at home

You knew that he was about to get jealous,  
Why the hell you put that black dress on?! It's so cold! It ain't my, it ain't my fault

Just blame it on the dress that you bought  
I blame it on the way that you walked in the club,  
and stole my heart!

It ain't my, it ain't my fault

It ain't my, it ain't my fault

Been sneaking, meet me in the bathroom stall

And slalom to decide

Don't take him upon the way on, ooh oh Lord knows when you were sittin' in front of your  
mirror at home

You knew that he was about to get jealous,  
Why the hell you put that black dress on?! It's so cold! It ain't my, it ain't my fault

Just blame it on the dress that you bought,  
I blame it on the way that you walked in the club,  
and stole my heart!

It ain't my, it ain't my fault

It ain't my, it ain't my fault It ain't my fault, you know you're wrong

It ain't my fault,

You knew that dress was a badass as soon as you put it on you

It ain't my fault, you know you're wrong

It ain't my fault if homie don't know

He's leaving here alone

It ain't my, it ain't my fault

Just blame it on the dress that you bought,

I blame it on the way that you walked in the club,  
and stole my heart!

It ain't my, it ain't my fault

It ain't my, it ain't my fault

It ain't my, it ain't my!
