

# Nevermind (Wankelmut Remix)

[Dennis Lloyd](#)

Alright, I'm ready now  
I ain't gonna fall back down now  
Alright, I'll take it on me  
All I ever ask is  
'Are you gonna be my lover, tonight?'  
and take it with me  
What if I left and it made no sense-  
and you tell your friends-  
and they hold your hands  
Baby, nevermind. nevermind.  
Alright, I'm ready now  
I ain't gonna stop right now, no  
Alright, I'll take it on me  
All I ever ask is  
'Do you wanna see my fire, tonight?'  
and take it with me  
What if I left and it made no sense-  
and you tell your friends-  
and they hold your hands  
Baby, nevermind. nevermind.
