

Frozen Heart

The Cast of Frozen

Born of cold and winter air
And mountain rain combining
This icy force, both foul and fair
Has a frozen harbor of mining
So cut through the heart
Cold and clear
Strike for love and
Strike for fear
See the beauty, sharp and clear
Split the ice apart
And break the frozen heart
Watch your step!
Let it go!
Ahh!
Oh!
Watch your step!
Let it go! Beautiful!
Powerful!
Dangerous!
Cold!
Ice has a magic
Can't be controlled
Stronger than one!
Stronger than ten!
Stronger than a hundred men!
Born of cold and winter air
And mountain rain combining
This icy force, both foul and fair
Has a frozen heart worth finding
Cut through the heart
Cold and clear
Strike for love and
Strike for fear
There's beauty and there's danger here
Split the ice apart
Beware the frozen heart
