

# I'll Always Love You

Taylor Dayne

I'll always love you  
For the rest of my days  
You have won my heart and my soul  
With your sweet, Sexy ways  
You gave me hope  
When I needed someone near  
You bring me happiness  
Everyday of every year  
And I'll always love you  
For all that you are  
You have made my life complete  
You're my lucky star  
You are the one  
That I'd been searching for  
You are my everything  
Tell me who could ask for more  
And I'll always love you  
Honey, this will never end  
I need you by my side, baby  
You're my lover my friend  
Oh, my friend  
You gave my world  
A thrill I've never known  
And filled my eager heart  
With a love to call my own  
And I'll always love you  
You must know how much I do  
You can count on me forever  
And I will take good care  
Of you  
I'll always love you  
I'm so happy that your mine  
I always love you  
Till the end of time
