

# A Little Too Not Over You

David Archuleta

(eh eh eh oh eh eh eh  
eh eh eh oh eh eh eh)  
It never crossed my mind at all  
That's what I tell myself  
What we had has come and gone  
You're better off with someone else  
It's for the best, I know it is  
But I see you  
Sometimes I try to hide  
What I feel inside  
And I turn around  
You're with him now  
I just can't figure it out  
Tell me why  
You're so hard to forget  
Don't remind me  
I'm not over it  
Tell me why  
I can't seem to face the truth  
I'm just a little too not over you  
(eh eh eh oh eh eh eh)  
Not over you  
(eh eh eh oh eh eh eh)  
Memories  
Supposed to fade  
What's wrong with my heart?  
Shake it off, let it go  
Didn't think it be this hard  
Should be strong  
Moving on  
But I see you  
Sometimes I try to hide  
What I feel inside  
And I turn around  
You're with him now  
I just can't figure it out  
Tell me why  
You're so hard to forget  
Don't remind me  
I'm not over it  
Tell me why  
I can't seem to face the truth  
I'm just a little too not over you  
Maybe I regret  
Everything I said  
No way to take it all back, yeah  
Now I'm on my own  
How I let you go  
I'll never understand

I'll never understand  
Yeah, oooh, oooh, oooh  
Oooooooh  
Oh  
Ooooh, oh  
Tell me why  
You're so hard to forget  
Don't remind me  
I'm not over it  
Tell me why  
I can't seem to face the truth  
I'm just a little too not over you  
Tell me why  
You're so hard to forget  
Don't remind me  
I'm not over it  
Tell me why  
I can't seem to face the truth  
And I really don't know what to do  
I'm just a little too not over you  
(eh eh eh oh eh eh eh)  
Not over you  
(eh eh eh oh eh eh eh)
