

Cha Cha (Falcons Remix)

DRAM

I like to cha cha
In a Latin bar
With a Dominican that resembles Taina I like to cha cha
I like to cha cha
With a Dominican that resembles Taina I like the way you're moving
I saw you from across the bar
I am not of Spanish descent
Fuck those other people [?]
I really would like to taste the
Spanish cuisine you prepare
And your beautiful hair
We just move anywhere
x2 Imma tell all my boys about you mañana
Hope this is your number I'm calling you mañana
Hopefully you come kick it with me mañana
We can cha cha between the sheets mañana
Imma tell all my boys about you mañana
Hope this is your number I'm calling you mañana
Hopefully you come kick it with me mañana
We can cha cha between the sheets mañana x2 How's everybody feeling out there tonight
If you here you're fucking with the boy tonight can I hear you say yeah
I'm a take y'all motherfuckers on a ride tonight yeah
20 mil finish, when I'm finish y'all gonna be fucking with it yeah
I like to cha cha
I like to cha cha
Like a chameleon that's hanging with Mrs. Frizzle
I like to cha cha
Just a Latin Bar [?]
I like to cha cha
I like to cha cha
With a Dominican that resembles Taina
