

# Fool for You

## The Impressions

Never liked nobody  
That's been mean to me  
I've got a heart full of stone  
And I hate the misery  
Then you came along  
Into my life  
Destroying my mind  
Mounting up the toil and strife  
But I'm a fool for you  
I'm a fool for you  
But I'm a fool for you  
I'm a fool for you  
Guess I'll always be  
And I claim it famously  
'Cause I'm a fool for you  
It's a doggone shame  
Knowin' you don't love me  
You go on and use me  
So continuously  
I don't know why  
I love you like I do  
When you're breaking my heart  
And you know it's true  
But I'm a fool for you  
I'm a fool for you  
But I'm a fool for you  
I'm a fool for you  
Doggin' me every day  
But child, I'm here to stay  
'Cause I'm a fool for you  
You don't want me to stay  
But I'm a fool for you  
Do me wrong now every day  
Child, I'm a fool for you  
Ah-ha-ha-hoo  
I'm a fool for you
