

Bama Lama Bama Loo

Little Richard

Bama lama bama loo Got a girl named Lucinder
We call her the great pretender
Got a girl named Lucinder
We call her the great pretender And when she talks
She says, "Bama lama loo" Bama lama, bama loo
Bama lama, bama loo
Bama lama, bama loo
Bama lama, bama loo Now, I dig her style
She's 'bout to drive me wild with
Bama lama, bama loo
I asked my baby for kiss
She shook her head like this
I asked my little girl for kiss
She shook her head around like this
She said, "Ooh, yeah" Bama lama, bama loo
Bama lama, bama loo
Bama lama, bama loo
Bama lama, bama loo Now, I dig that style
It's drivin' me wild with
Bama lama, bama loo Well, I asked my baby for kiss
She shook her head like this
I asked my little girl for kiss
She shook her head around like this
She said, "Ooh, yeah"
Bama lama, bama loo
Bama lama, bama loo
Bama lama, bama loo
Bama lama, bama loo Now, I dig that style
Now, I'm drivin' her wild with
Bama lama, bama loo
