I'm Beginning to See the Light

Kelly Rowland

I never cared much for moonlit skies I never wink back at fireflies But now that the stars are in your eyes I'm beginning to see the light I never really went in for afterglow Or candlelight on the mistletoe But now when you turn the lamp down low I'm beginning to see the light Used to ramble through the park Shadowboxing in the dark Then you came and caused the spark That's a four-alarm fire now I never made love by lantern-shine I never saw rainbows in my wine But now that your lips are burning mine I'm beginning to see the light Used to ramble through the park Shadowboxing in the dark Then you came and caused the spark That's a four-alarm fire now I never made love by lantern-shine Never saw rainbows in my wine Now that your lips are burning mine I'm beginning to see the light I'm beginning to see the light I'm beginning to see the light Song Discussions is protected by U.S. Patent 9401941.
