

# I Ain't The One

## Lynyrd Skynyrd

One, two, three  
Now I'll tell you plainly baby, what I plan to do  
Say I may be crazy woman, but I ain't no fool  
Your daddy's rich mama, you're overdue  
Now I ain't the one baby, been messin' with you  
Got bells in your mind lady, and it's easy to see-uh  
I think it's time for me to move along, I do believe  
Aww, you're tryin' to put a hook in me, baby,  
oh, no  
Now you're talkin' jive woman, when you say to me  
That your daddy's gonna take us in baby, take care of me  
You know and I know woman, I ain't the one  
I never hurt you sweetheart, I never pulled my gun  
Got bells in your mind mama, and it's easy to see-uh  
I think it's time for me to move along, I do believe  
Time for me to put my boots out in the street missy  
Are you ready boots?  
Walk on!  
Well now alright there missy,  
Let me tell you a thing or two  
How about it baby?  
Now you're talkin' jive woman, when you say to me  
That your daddy's gonna take us in baby, take care of me  
You know and I know woman, I ain't the one  
I never hurt you sweetheart, I never pulled my gun  
Got bells in your mind mama, and it's easy to see-uh  
I think it's time for me to move along, I do believe  
Oh, I must be in the middle of some kinda  
conspiracy  
Ohhh, nooo! Wooooo!
