Mozy

[Intro: Ty Dolla \$ign]

Dolla Sign

My nigga Mozy, won't you help me out?[Verse 1: Mozy]

Gangland, I'm in love with the dealin'

Barely clingin' to life as he suffer severely

Either love me or fear me, you gotta feel me

I don't wanna past from love, you better kill me

You don't get a pass if you lackin', you niggas hear me?

Catch him in McDonalds, it's brackin', you niggas hear me?

Ayy, we sincerely devoted if you ain't notice

Fifty ball shoved in the denim, them bitches bloated

You got respect for the struggle if you've been homeless

Now I'm in the foreign, it's factory, clear-coated

Ayy, where the mansion for thugs? I'm tryna swift it

Gotta be a 'fella to enter, it's real niggas

[Chorus: Ty Dolla \$ign]

Ohhh, ain't no place I'd rather be (rather be)

Get it all for the family (woah)

Sky-high, iced out paradise (way, way up)

In the sky (sky, woah)

Ain't no place I'd rather be (rather be)

With the bros right next to me (woah)

Chromed out mansion in paradise

In the sky (yeah, yeah)[Verse 2: YG]

Ayy, free the homies, if I could, I would

I'm bad for the lawyers, he could tell the judge they should

Break down the case 'cause it ain't happened like that

It's the shit you gotta go through when you young and you black

You weren't hood 'cause your family, they ain't have it like that

With the gang, full of bang, 'case they were havin' a pack

Ayy, past the strap, bust 'em, passin' them back

Ayy, was niggas really your friend, you have facts

Now you gone and your bitch ain't showin' up

She let a nigga fuck and your daughter, she growin' up

This verse for my niggas locked up, I'm with ya

Bunkin' with niggas, no pussy, stressed out, I feel ya

[Chorus: Ty Dolla \$ign]

Ohhh, ain't no place I'd rather be (rather be)

Get it all for the family (woah)

Sky-high, iced out paradise (way, way up)

In the sky (sky, woah)

Ain't no place I'd rather be (rather be)

With the bros right next to me (woah)
Chromed out mansion in paradise
In the sky (yeah, yeah)[Bridge: Ty Dolla \$ign]
Ohhh, I swear there ain't no place I'd rather be
Ohhh, without you, where would I be? Where would I be at?
Ohhh, ups and downs for real ones but we will never fall
Ohhh, 'cause one day, everybody gotta go[Chorus: Ty Dolla \$ign]
Ain't no place I'd rather be (woah)
Get it all for the family (woah)
Sky-high, iced out paradise
In the sky (yeah)
Ain't no place I'd rather be (woah)
With the bros right next to me (woah)
Chromed out mansion in paradise
In the sky (yeah, yeah)
(Yeah, yeah)
In the sky (yeah, yeah)
