

I Drove All Night

Cyndi Lauper

I had to escape
The city was sticky and cruel
Maybe I should have called you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead, uh, huh
Could taste your sweet kisses
Your arms open wide
This fever for you is just burning me up inside
I drove all night to get to you
Is that alright?
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
Is that alright?
I drove all night
What in this world
Keeps us from tearing apart
No matter where I go I hear
The beating of your heart
I think about you
When the night is cold and dark, uha, yeah
No one can move me
The way that you do
Nothing erases the feeling between me and you
I drove all night to get to you
Is that alright?
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
Is that alright?
I drove all night
Could taste your sweet kisses
Your arms open wide
This fever for you is just burning me up inside
I drove all night to get to you
Is that alright?
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
I drove all night... to hold you tight
