

# Leather and Lace (with Don Henley) [Remaster]

Stevie Nicks

Written by stevie nicks.is love so fragile...  
and the heart so hollow  
shatter with words...  
impossible to follow  
you're saying i'm fragile... i try not to be  
i search only... for something i can't see  
I have my own life... and i am stronger  
than you know  
but i carry this feeling  
when you walked into my house  
that you won't be walking out the door  
still i carry this feeling  
when you walked into my house  
that you won't be walking out the door  
Lovers forever... face to face  
my city or mountains  
stay with me stay  
i need you to love me  
i need you today  
give to me your leather...  
take from me... my lace  
You in the moonlight  
with your sleepy eyes  
could you ever love a man like me  
and you were right  
when i walked into your house  
i knew i'd never want to leave  
sometimes i'm a strong man  
sometimes cold and scared  
and sometimes i cry  
but that time i saw you  
i knew with you to light my nights  
somehow i'd get by  
first time i saw you  
i knew with you to light my nights  
somehow i would get by  
Lovers forever... face to face  
my city or mountains  
stay with me stay  
i need you to love me

i need you today  
give to me your leather...  
take from me... my lace  
Lovers forever... face to face  
my city or mountains  
stay with me stay  
i need you to love me  
i need you to stay  
give to me your leather  
take from me... my lace  
take from me... my lace  
take from me... my lace
