

# Touch of My Hand

Britney Spears

I'm not ashamed of the things that I dream  
I find myself flirting with the verge of obscene  
Into the unknown, I will be bold  
Going to places, I can be out of control  
And I don't want to explain tonight  
All the things I've tried to hide  
I shut myself out from the world so I  
Can draw the blinds and I'll teach myself to fly  
I love myself  
It's not a sin  
I can't control what's happenin'  
'Cause I just discovered  
Imagination's taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand  
From the small of my back and the arch of my feet  
Lately I've been noticin' the beautiful me  
I'm all in my skin and I'm not gonna wait  
I'm into myself in the most precious way  
And I don't want to explain tonight  
All the things I've tried to hide  
I shut myself out from the world so I  
Can draw the blinds and I'll teach myself to fly  
'Cause I just discovered  
Imagination's taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand  
There's a world undefined  
In my body and mind  
I won't be left behind  
I'm already here  
'Cause I just discovered  
Imagination's taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand  
'Cause I just discovered  
Imagination's taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand
