

If I Didn't Care

The Ink Spots

If I didn't care more than words can say
If I didn't care would I feel this way?
If this isn't love then why do I thrill?
And what makes my head go 'round and 'round
While my heart stands still? If I didn't care would it be the same?
Would my ev'ry prayer begin and end with just your name?
And would I be sure that this is long beyond compare?
Would all this be true if I didn't care for you? If I didn't care honey child, more than words can
say. If I didn't
care baby, would I feel this way? Darlin' if this isn't love, then why do I thrill so much?
What is it that makes my head go 'round and 'round while my heart just stands
still so much?
If I didn't care would it be the same?
Would my ev'ry prayer begin and end with just your name?
And would I be sure that this is long beyond compare?
Would all this be true if I didn't care for you?
