

Baby Jump

Mungo Jerry

She wears those micromini dresses
Hair hanging down her back
She wears those seethrough sweaters
She likes to wear her stockings black
And if I see her tonight
You can bet your life I'll attack
She got beautiful teeth
A toothpaste adman's dream
She got a beautiful form
The best I've ever seen
I'm gonna get her tonight
I don't care where she been
Well I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby jump into my dream"
I dream that she was Lady Chatterley'n
I was the game keeper
I dream that I was Da Vinci
And she was the Monalisa
I dream that I was Humbert
And she was Lolita
Well I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby jump into my dream"
She wears those micromini dresses
Hair hanging down her back
She wears those seethrough sweaters
She likes to wear her stockings black
And if I see her tonight
You can bet your life I'll attack
She got beautiful teeth
A toothpaste adman's dream
She got a beautiful form
The best I've ever seen
I'm gonna get her tonight
I don't care where she been
Well I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby jump into my dream"
