

# Eleven (feat. Summer Walker)

Khalid

G?t my headlights off, we're sittin' ?outside  
?f y?u cry in my car, then we're here all night, ??h  
? couple blunts rolled and I g?t my wind?ws down  
Said "?t's been a while since y?u been this high"  
?f you're waitin' ?n love, then y?u waitin' for a while  
?f the neighbors wake up, then we g?tta turn it d?wn  
S? you say ?'m the type y?u like keepin' ar?und  
??u like keepin' aroundLate at night, eleven, we're cruisin'  
Lately ?'ve been watchin' y?ur m?vements  
?f I'm the ?nly one that y?u're choosin'  
?m I y?ur favorite drug y?u've been usin'?  
Late at night, eleven, we're crusin'  
Lately ?'ve been watchin' y?ur m?vements  
?f I'm the ?nly one that y?u're choosin'  
?m I y?ur favorite drug y?u've been usin'?  
Twenty-one, sittin' ?n my ?5  
Ride ar?und summer, all-wheel-drive, yeah  
Couple blunts in and ? g?t my wind?ws down  
L??kin' real nice in my passenger side  
?f you're waitin' ?n love, then y?u waitin' for a while  
?f the neighbors wake up, then we g?tta turn it d?wn  
S? you say ?'m the type y?u like keepin' ar?und  
??u like keepin' aroundLate at night, eleven, we're cruisin'  
Lately ?'ve been watchin' y?ur m?vements  
?f I'm the ?nly one that y?u're choosin'  
?m I y?ur favorite drug y?u've been usin'?  
Late at night, eleven, we're cruisin'  
Lately ?'ve been watchin' y?ur m?vements  
?f I'm the ?nly one that y?u're choosin'  
?m I y?ur favorite drug y?u've been usin'?  
??h, don't you forget about me  
??h, don't you forget about me  
??h, don't you forget about me  
??h, don't forget about me  
??h, don't you forget about me  
??h, don't forget about me, yeah  
??h, don't you forget about me  
??h, don't you forget about meLate at night, eleven, we're cruisin'  
(Lately ?'ve been watchin' your, watchin' y?ur)  
?f I'm the ?nly one that y?u're choosin'  
?m I y?ur favorite drug y?u've been usin'?  
D?n't y?u forget about me, if ?'m the ?nly one that y?u're

Am I your favorite drug you've been usin', usin'?  
If I'm the only one that you're  
Am I your favorite drug you've been usin', usin'?  
If I'm the only one that you're  
Am I your favorite drug you've been usin', usin'?  
If I'm the only one that you're  
Am I your favorite drug you've been usin', usin'?
