

# Blue Yodel No. 1 (T for Texas)

Jimmie Rodgers

Standing on the corner, I didn't mean no harm  
Along come the police, he took me by the arm  
It was down in Memphis, corner of Beale and Main  
He says "big boy, you'll have to tell me your name" I said "you'll find my name on the tail of my  
shirt  
I'm a Tennessee hustler, I don't have to work"  
Listen all you rounders, you better leave my women alone  
'Cause I'll take my special and run all you rounders home Yodel-aaaa-iiiiii-adle-aaaaa My good  
girl loves me, everybody knows  
And she paid a hundred cash dollars just for me a suit of clothes  
She come to the joint, a forty-four in each hand  
She said "stand aside all you women and men  
'Cause I'm looking for my man"  
Yodel-aaaa-iiiiii-adle-aaaaa
