Here Again

Elevation Worship

Can't go back to the beginning Can't control what tomorrow will bring

But I know here in the middle

Is the place where you promise to beI'm not enough unless you come

Will you meet me here again

'Cause all I want is all you are

Will you meet me here againAs I walk now through the valley

Let your love rise above every fear

Like the sun shaping the shadow

In my weakness your glory appearsI'm not enough unless you come

Will you meet me here again

'Cause all I want is all you are

Will you meet me here again

I'm not enough unless you come

Will you meet me here again

'Cause all I want is all you are

Will you meet me here againNot for a minute

Was I forsaken

The Lord is in this place

The Lord is in this placeCome Holy Spirit

Dry bones awaken

The Lord is in this place

The Lord is in this placeNot for a minute

Was I forsaken

The Lord is in this place

The Lord is in this place

Come Holy Spirit

Dry bones awaken

The Lord is in this place

The Lord is in this placeI'm not enough unless you come

Will you meet me here again

'Cause all I want is all you are

Will you meet me here againI'm not enough unless you come

Will you meet me here again

'Cause all I want is all you are

Will you meet me here again
