Looking for You

Kirk Franklin

I've been down so long, I've been hurt for so long There were times I thought I'd never see the break of day It was hard for me to see Your plan for me And I tried to believe struggling won't last always See night after night, night after night, night after night I prayed Lord, "Don't take Your joy from me" And then late one night, then late one night I read in Your love letter that it's gonna get better Don't You know that I've been looking for You? I realize nothing else will satisfy me I'm so glad I found You Now that I'm changed no one can keep me away from You You been so good to us You brought us from a mighty long way That's why we love You, come on When my enemies tried to come for me And they thought that my world was coming to an end All the while You knew that I would make it through I feel closer to You now than when I first beganJesus You are, Jesus You are, Jesus You are You are my sunlight after the rain Wherever You are, wherever you are I just wanna be near You I'm so glad I can hear YouDon't You know that I've been looking for You? I realize nothing else will satisfy me I'm so glad I found You Now that I'm changed no one can keep me away from You Don't You know that I've been looking for You? I realize nothing else will satisfy me I'm so glad I found You Now that I'm changed no one can keep me away from YouHere we go now, here we go now Don't stop now, let's go now In the front now, in the back now Let's go now, ladiesUh oh, uh uh oh That's for the struggle Uh oh, uh uh oh That's for the pain Uh oh, uh uh oh That's for those dark nights Uh oh, uh uh oh Come on, let's sing it with us ya'llJesus You are, Jesus You are, Jesus You are You are my sunlight after the rain Wherever You are, wherever You are I just wanna be near You I'm so glad I can hear YouDon't You know that I've been looking for
