

I Still Pray (feat. Paul Kelly)

[Kasey Chambers & Paul Kelly](#)

I still cry for Baby Jesus
And I still pray when I'm alone
And when I'm lost
He'll come to find me
Because he died to save my soul
When I can't walk he's there to carry
When I speak he hears my words
When I wake and I have nothing
He sends me gold, francencene and mer
When I cry my tears of sorrow
When my heart will only ache
And if I'm troubled when I'm sleeping
He will hold me until I wake
