## **Ladies and Gentlemen**

## Saliva

Ladies and gentlemen please Would you bring your attention to me?

For a feast for your eyes to see

An explosion of catastropheLike nothing you've ever seen before

Watch closely as I open this door

Your jaws will be on the floor

After this you'll be begging for moreWelcome to the show

Please come inside

Ladies and gentlemen

Boom

Do you want it?

Boom

Do you need it?

Boom

Let me hear it

Ladies and gentlemenBoom

Do you want it?

Boom

Do you need it?

Boom

Let me hear it

Ladies and gentlemenLadies and gentlemen good evening

You've seen that seeing is believing

Your ears and your eyes will be bleeding

Please check to see if you're still breathing

Hold tight cause the show is not over

If you will please move in closer

Your about to be bowled over

By the wonders you're about to behold hereWelcome to the show (Welcome to the show)

Please come inside
